

Raise the Rate

People receiving Newstart and Youth Allowance in the ACT

Australia's social safety net is something most of us contribute to, and most of us benefit from, at different times in our lives. Our safety net should allow people to afford a roof over their head and put food on the table. The current rates of Newstart and Youth Allowance do not cover the cost of basic essentials.

Key statistics (2017)

Around 3.5% of working age people in the ACT receive an unemployment or student payment.

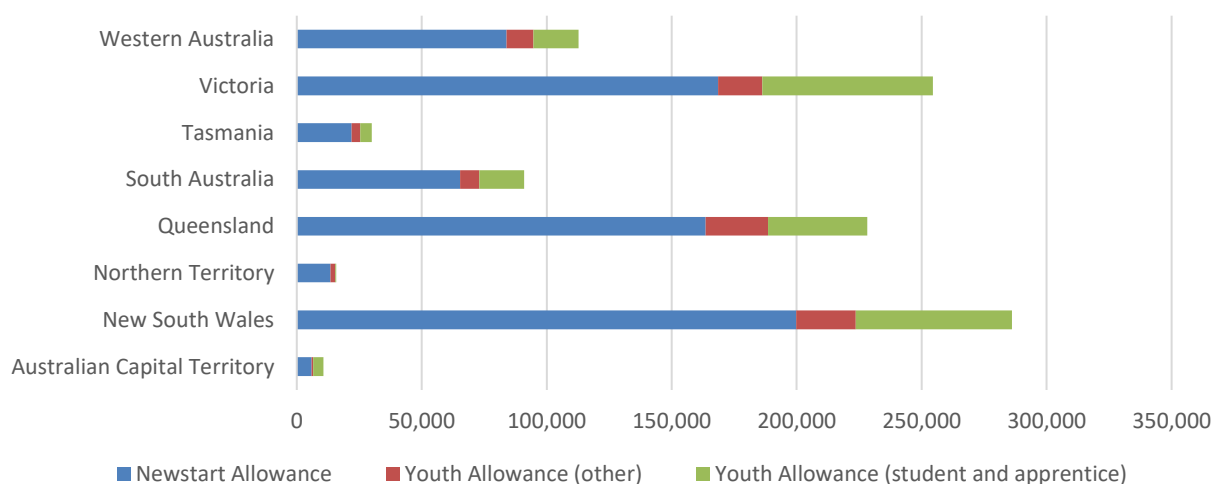

Newstart

- 6,271 recipients of Newstart Allowance
- 57% are long-term unemployed (lower than the national average of 70%)
- 85% of people are paid at the single rate of the allowance
- Most people receiving the payment are aged between 25 and 54 (69%)
- 6.8% of people identify as Aboriginal or Torres Strait Islander
- Most people receiving Newstart are men.

Youth Allowance

- There are 850 recipients of Youth Allowance (Other) (unemployment payment for young people aged 16-21)
- There are 2,631 recipients of Youth Allowance (student and apprentice)
- The vast majority of recipients are paid the single rate
- Most people receiving Youth Allowance are women.
